Subject: Review of Notice of Intention to Commence Small Mining Operations, Michael and Sandra Sprunger, ML 47821 & ML 46956/ Cubical 2, S/023/057, Juab County, Utah

Dear Mr. Sprunger:

The Division of Oil, Gas and Mining has reviewed your letter and modified Notice of Intention to Commence Small Mining Operations (Notice) received January 24, 2014. The following item will need to be corrected before the Division gives final approval:

The entity applying for a permit is listed as Michael and Sandra Sprunger. To file as an individual only one person can be listed as the operator. If both parties want to be listed as the operator, they must be registered with the Division of Corporations as a partnership, a corporation, or a limited liability company.

Enclosed is a blank copy of the pages from the Notice form. If you intend to file as an individual, please submit the form showing just the individual to be listed as the operator. If you intend to file as a partnership or some other business entity, please register with the Division of Corporations and list that entity as the operator.

Thank you for your response and for your cooperation. Please call Wayne Western at 801-538-5263 or me at 801-538-5261 if you have questions concerning this letter.

Sincerely,

Paul Baker
Minerals Program Manager
